

## Design & Animation 11/12 – WLSS – Mr. Hauk

### Photoshop: Project 8 – Photoshop Text Effects

Name:

#### Instructions:

Your task is to create an original Photoshop text effect design. If you have a word or sentence which relates to the theme of your design you may use this idea (ex. The word 'Icy' with ice frozen around it – see below). Otherwise use your own name (first and/or last) to complete the tutorial. Some great text effect tutorials are available at the following site:

<http://vandelaydesign.com/blog/design/photoshop-text-tutorials/>

You will be marked according to the following criteria (10 marks):

| Project Criteria                                       | Max Score | Your Score |
|--|-----------|------------|
| Composition shows no evidence of editing               | 2         |            |
| Images used are sharp and clear                        | 2         |            |
| Selection borders are precise                          | 2         |            |
| Demonstrates a high degree of creativity/originality   | 2         |            |
| Demonstrates a high degree of accuracy to the tutorial | 2         |            |
